REQUEST FOR DRAWING CHANGE APPROVAL

Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

The Examiner's approval of the proposed drawing changes indicated on the attached sheet is requested. Such changes, shown in red, are to correct minor errors appearing in the drawing and to provide consistency between the drawing and the written specification. Such changes do not introduce new subject matter into the application.

The changes are as follows:

A carbon brush 10 has been added to Figure 1 to show the sensor 8 lying in the same plane as the carbon brush 10 as recited in the application as originally filed on page 2, line 35 and page 4, lines 29-30. In Figure 3, the numeral seven has been eliminated.

Accordingly, approval of the proposed changes is respectfully requested.

Respectfully submitted,

YOUNG, BASILE, HANLON, MacFARLANE,
WOOD & HELMHOLDT, P.C.
